| Diameter                    | 70 mm            |
| Materials                   | PC               |
| Dome colour                 | Green            |
| Protection category         | IP65             |
| Service life optical        | 50,000 h maximum |
| Working temperature minimum | -20°C            |
| Working temperature maximum | +50°C            |
| UL Type Rating              | Type 12          |
| Weight with packaging       | 82 g             |
| Product weight              | 67 g             |

| ELECTRICAL DATA             |                    |
|-----------------------------|--------------------|
| Operating voltage           | 24V                |
| Operating voltage type      | DC                 |
| Operating voltage tolerance | +/- 10%            |
| Rated operational voltage   | 24 VDC             |
| Rated operational current   | 195 mA             |
| Rated inrush current        | 500 mA             |
| Protection class            | Protection class 2 |
| Pollution degree            | 3                  |
