

HOT WATER PRESSURE WASHERS / ELECTRIC

- Oil-Fired
- 1.7 GPM @ 1200 PSI
- Auto Start/Stop

333

The 333 Model is a competitively priced, entry-class hot water pressure washer. Innovative upright design ensures good mobility and ergonomics, while its compact size makes it easy to transport both horizontally and vertically. Built-in 3 angle spray nozzle and low pressure chemical application. Very user-friendly with one-switch operation and areas for hose and accessory storage. This model is ETL safety certified and comes equipped with a 33' high-pressure hose, lance, trigger gun and 16' power cord.
